

§ 1220.619

executor, or trustee of a producer's estate, or an authorized representative of any eligible producer entity (other than an individual producer), such as a corporation or partnership, may request a referendum on behalf of that entity. Any individual who requests a referendum on behalf of any producer entity, shall certify that he or she is authorized by such entity to take such action.

(c) *Joint and group interest.* A group of individuals, such as members of a family, joint tenants, tenants in common, a partnership, owners of community property, or a corporation engaged in the production of soybeans as a producer entity shall be entitled to make only one request for a referendum; provided, however, that any individual member of a group who is an eligible producer separate from the group may request a referendum separately.

§ 1220.619 Time and Place for Requesting a Referendum.

(a) The opportunity to request a referendum shall be provided during a 4-week period beginning and ending on a date determined by the Secretary. Eligible persons shall have the opportunity to request a referendum by following the procedures in § 1220.622 during the normal business hours of each county FSA office.

(b) Producers can determine the location of county FSA offices by contacting the nearest county FSA office, the State FSA office or through an online search of FSA's web site at www.fsa.usda.gov/pas/default.asp.

(c) Each eligible person shall request a referendum in the county FSA office where FSA maintains and processes the producer's, corporation's, or other entities administrative farm records. For the producer, corporation, or other entity not participating in FSA programs, the opportunity to request a referendum would be provided at the county FSA office serving the county where the producer, corporation, or other legal entity owns or rents land. An individual or authorized representative of a corporation who grows soybeans in more than one county would request a referendum in the county FSA office where the individual or cor-

poration or other entity does most of its business.

§ 1220.620 Facilities.

Each county FSA office will provide:

(a) A polling place that is well known and readily accessible to producers in the county and that is equipped and arranged so that each person can complete and submit their request in secret without coercion, duress, or interference of any sort whatsoever, and

(b) A holding container of sufficient size so arranged that no request can be read or removed without breaking seals on the container.

§ 1220.621 Certification and request form.

Form LS-51-1 shall be used to request a referendum and certify producer eligibility. The form does not require a "yes" or "no" vote. Individual producers and representatives of other producer entities should read the form carefully. By completing and signing the form, the individual simultaneously certifies eligibility and requests that a referendum be conducted.

§ 1220.622 Certification and request procedures.

(a) To request that a referendum be conducted, each eligible producer shall, during the Request for Referendum period, be provided the opportunity to request a referendum during a specified period announced by the Secretary.

(1) Each eligible producer shall be required to complete form LS-51-1 in its entirety and sign it. The producer must legibly print his/her name and, if applicable, the producer entity represented, address, county, and telephone number. The producer must read the certification statement on form LS-51-1 and sign it certifying that:

(i) The person or the producer entity they represent was a producer of soybeans during the representative period;

(ii) The individual requesting a referendum on behalf of a corporation or other entity is authorized to do so; and

(iii) The individual has submitted only one request for a referendum unless they are also an authorized representative for another eligible corporation or other entity.
